To

All Provincial/State/Union Governments.

Sir,

Sub: Chemical Fertilizers - Sulphate of Ammonia allocations for the Fertilizer Year 1st July, 1949 to 30th June, 1950.

I am directed to State that the Government of India has now been able to locate supplies of sulphate of ammonia for the current fertilizer year i.e. 1-st July, 1949 to 30th June, 1950. In accordance with supplies located, the Government of India is pleased to allocate a quantity of 1,48,000 tons to the Provincial Government for use on food and cash crops during the current fettilizer year thus meeting their requirements in full.

2. Supplies of sulphate of ammonia against the current year's requirements are expected to commence arriving early in November and will be distributed as quickly as possible thereafter.

3. I am to request that the acceptance of the above allotment may kindly be communicated to this Ministry at an early date along with a copy of despatch instructions covering a quantity required during the next three months in order to enable this Ministry to arrange a programme of phased movement.

Yours faithfully,

(SD) S. Y. Krishnaswamy
